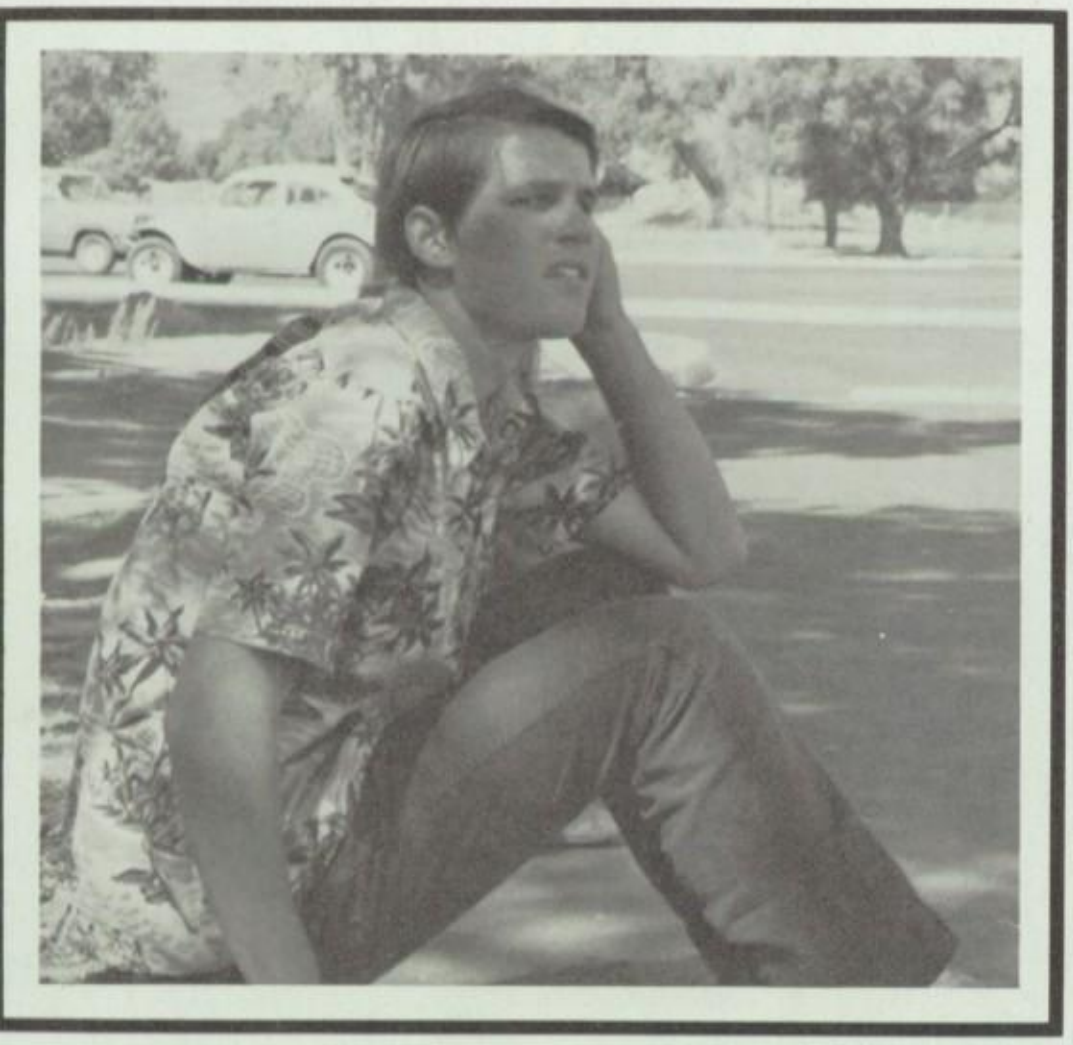
"Remembering"
Another year
another laugh,
So glad to be here
So glad what you have,
Tomorrow we live
Today we try
To always give
And never ask why,
I give you this
From me to you,
To help reminisce
Of the things
We used to do

"Life-so they say
Is but a game and they let it slip away
Love-Like the Autumn sun
Should be dying, but its only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears
And all the years will come and go
And take us up, always up

We may never pass this way again.....

Dreams - so they say
Are for the fools and they let them drift away
Peace- like the silent dove
Should be flyin' buts its only just begun
Like Columbus in the olden days
We must gather all our courage
Sail our ship out on the open sea
Cast away our fears and all the years will come and go

We may never pass this way again....."



Just being a Senior was all I could think of since my freshman days. I looked forward to the status, the easy schedule, and all of the activities that Seniors seemed to enjoy. What a letdown!! Suddenly being a Senior wasn't so special. I found that the year was hardly different from any other. And everyday in everyway things did not get better and better. Still, I pulled through.

Reflectively, I know I wouldn't replace this year for anything. It is the climax and fulfillment of a high school education; not altogether relevant, but a once-in-a-lifetime experience. It is a turning point, time to move on, and I'll miss it.

THE JUNIORS OF 1977-'78

Oh wow! Mike.

The Junior Class worked very hard to sponsor the Junior-Senior Prom this year and started with only a few dollars.

The Prom was May 20, 1978 at the Sheraton-Airport Inn on Harbor Island. The Band was "Spice" and the theme song, "Your Smile" was written and sung it very well.

I insist you listen, not th.. ..cture?

Do you think he can fix it?

YEARBOOK

STAFF

The yearbook staff has changed throughout the year. Due to the fact that we had to put the yearbook together after school, we lost many interested people. Ms. Engstrand, Chuck Mady, Dodie Morgan, Lisa Muir, Andrea Hamilton, and Clint Darnell were sponsored by the Parents and Boosters at the National JEA Convention April 14 and 15 at the Town and Country Convention Center in Mission Valley. Many classes were held and the staff was exposed to the many ways of putting a yearbook together. This year's book has been assembled after school with the staff contributing many hours of their own time along with the help of Mr. Rod Williams, the Josten Representative.

GRADUATION

June 15, 1978 saw the first graduating Senior Class from the new school march solemnly into the auditorium. Class Valedictorian Glen Braghetta, Rick Washburn Salutitorian, and Senior Class President Tad Brierton led the class and gave farewell speeches to the many parents, relatives, and teachers present for the momentous occasion. A.S.B. President JoAnn Volner read a poem given to her by her parents describing hope for the future. Twenty-six scholarships totaling almost three thousand dollars were awarded to various deserving seniors. The school Board Members along with the Principal and Superintendent gave words of encouragment to the class of '78. Mr. Richard Loynd the Senior Class advisor, gave a speech of how he would miss the class, and then invited all of the guests to the reception following the ceremony.
